## Mr. Dolinski's Homework Policy

Dear parental units and students of the grade 8 variety,

Welcome to the 8<sup>th</sup> grade! The following letter is an overview of the 8D class homework policy. This is to ensure that teachers, parents, and especially the students, have a clear understanding regarding expectations for homework in the upcoming year.

Homework in 8D will be given on a “required” basis. There will not be daily homework assignments for each subject, as I will provide adequate class time to complete assignments. If students do not finish their work, it then becomes homework. The goal of this policy is to encourage the students to learn the importance of using class time wisely, and getting their work done, and done well. Other types of homework that students may encounter at various times throughout the year are studying for tests, extra project work, content reading to enhance understanding, etc...

In order to assist students/parents in keeping track of assignments, we will sometimes utilize sticker boards (in class), a class website ([www.mrdolinski.weebly.com](http://www.mrdolinski.weebly.com)), as well as agendas (responsibility of student and parent...I will not be checking agendas on a daily basis). All assignments, field trips, and other school events will be posted on the class website on a daily/weekly basis, so please check the website regularly. If certain issues arise at school (incomplete assignments, behavior, etc...), parents will be contacted via e-mail or telephone.

If you have any questions, feel free to contact me before or after school by telephone (The school's number is 204-489-1239) or at any time by e-mail (preferred). [sdolinski@pembinatrails.ca](mailto:sdolinski@pembinatrails.ca)

That's All Folks.

Mr. Shawn Dolinski
